Fish the Amazon This Year

Twelve PWF members have already paid their 50% deposit for this year's Amazon Peacock Bass fishing trip for September 26th through October 4th. The boat holds 16, and I would love to have a full boat of PWF members. We still have 4 open spots. Please contact us to learn more.

Introducing Athens - Neill Ranch

PWF opens another premier fishing opportunity only 1 hour and 15 minutes east of Dallas! [Neil Ranch](#) is a 30 acre lake half way between Athens and Canton, and is full of big bass. On a personal note, I have been working on getting this lease opportunity for more than 3 years; but as they say, good things come to those who wait. Come Meet Seth at the Fish Fry!

Seth is our new Operations Manager, officially taking over for Brian starting on April 12th. Come out to the club fish fry and give Seth the chance to introduce himself, he would love the opportunity to meet our wonderful members!

Big Bass Contest

Shaun Cobb is leading the PWF big bass contest with the 24 inch lunker he caught at [Gilmer - Hat and Star](#). If you would like to enter the contest please contact us and let us know. [Click Here](#) for the contest rules.

\$2,000,000 in tournaments, and has appeared and hosted more TV shows than I can count. Denny has appeared in the pages of Sports Illustrated, on Late Night with David Letterman, and even had a Wheaties box after he won the 1998 Bass Master Classic. His [Bio](#) is too long to post, but the guy is an angler and a rock solid guy.

Dr. Tommy Brown, the owner of [Heartland: 10-10 Ranch](#), has been friends with Denny for many years, and has offered a trip to fish with Denny in the fall of 2014. Your trip will be for several days, and during that time frame you will have a chance to hang out and fish with the both of them. Exact details will be worked out closer to the date; which will be in late October of 2014.

How do you win?

This year's longest fish caught at Heartland 10-10 ranch will earn you the right. The contest is from Jan 1st, 2014 to June 30th, 2014. You do not need to enter the contest, but we must have a picture of the fish on a "[Check it Stick](#)".

*(The rules for this contest are the same as the rules for the [PWF club big bass tournament](#); except only fish caught at Heartland 10-10 Lakes are eligib
