## Private Water Fishing Goes to Thailand

In mid June my extending family (10 of us) took a family vacation to Thailand. We had planned the trip for over a year and it was to be a trip of a lifetime. We spent 14 days in a part of the world I had never been. I had more curry, vegetables, and spicy stuff in 2 weeks than I typically would over the course of a year. We spent 3 days in Bangkok (17 million people), 5 days in the jungle area of Chaing Mai, and 5 days on a small resort island of Koh Samui. The highlight of the trip was a day we spent fishing a small private lake filled with thousands of giant fish. [Click Here](#) to read more about my trip to Thailand, and my fishing adventure.

## Peacock Bass Fishing

**Member John Egan with a 21 lb Trophy Peacock Bass**

September of 2014 fourteen of us made the trek to Manaus, Brazil to fish for the famous Peacock Bass. After 7 days of fishing, we landed over 700 fish with 51 over 10 lbs, 15 over 15 lbs, and 3 over 20 lbs. We are headed back again next year during a similar time frame. I booked this trip 18 months ago, thus I could choose any date I wanted as I was the first booking for 2016. The week I chose, September 23rd to October 2nd 2016, has been the most consistent week each year for more than 20+ years. Mexico Bass Fishing

We are off again to Mexico for a little fishing, but this time we have changed it up a little. 16 of us are going on a 5 day trip, as opposed to a typical 3 or 4 day trip. We will be fishing the famous Lake El Salto for 2 days, and Lake Picachos for 3 days. As many of you know, Picachos is the hottest bass lake in Mexico right now, and possibly the world. We will be leaving February 17th, and returning February 23rd. For more information, and to learn how to book a spot, please [Click Here](#).

## Where Do YOU Want to Go?

Well, we tried Alaska and had little interest with only 2 people committing to go.

famous place called [Tropic Star](#) in Panama. Are you interested? Closer to home, lots of folks have suggested a trip to Venice, LA for Redfish. Please let me know where you would like to go. Fishing with a group can be a ton of fun. There is a group of about 20 guys who go to Mexico each year, or every other year. Virtually everyone who goes once repeats. It is a great way to travel, meet new friends, and have the comfort of knowing the person leading the group has been there and done that.
